

# ***Wrockwardine Wood and Trench***

## ***ANNUAL PARISH MEETING***

**MINUTES** of the Wrockwardine Wood & Trench Parish Council Annual Parish Meeting held on Tuesday 14<sup>th</sup> May 2019 at The Parish Council Centre, Church Road, Wrockwardine Wood at 7pm.

**PRESENT:** Councillors: F. Doran, L. Madeley, C.F. Smith, H. Smith, B.J. Thompson, and Mrs S.A. Watkins (Chair).

**IN ATTENDANCE:** Adam Brookes, Telford & Wrekin Council and 2 members of the public.

1) **Welcome and Apologies-**

The Chair opened the meeting and welcomed everyone present.

Apologies were received from Councillors Shirley Reynolds and Steve Reynolds,

2) **Declarations of Interest**

There were no declarations of interest.

3) **The Minutes of the Annual Parish Meeting**

**RESOLVED** that the minutes of the Annual Parish Meeting held on Tuesday 15<sup>th</sup> May 2018 were approved as a correct record and signed by the Chair.

4) **TO RECEIVE: Adam Brookes, Transport, Highways and Engineering**

Adam Brookes reported that work has already begun on resurfacing the pavements in Church Road and the yellow lines in Church Road, Wade Road and Dicken Road will start on the 3<sup>rd</sup> June. The public consultation went well and there were no objections to the proposed yellow lines.

The safer schools programme of work is due to be delivered this financial year. Safe schools' zones will have 20mph speed restrictions with flashing lights and further road markings to be added to the areas around all four schools in our area. Adam said parking restrictions need to be enforced, but new powers applied for by Telford & Wrekin Council won't come into force until the end of the year if approved.

Cllr. Charles Smith asked if vehicle pollution will lead to restricted access for vehicles in certain areas across the borough?

Adam said there is nothing in place at present, but the subject is under discussion at the moment and the department are doing checks in some hotspot areas by putting tubes in the area to check for pollution particles.

Cllr. John Thompson mentioned damaged safety railings opposite Stanmore Drive on Trench Road and wanted to know when they will be repaired?

Adam said ID Verde will be doing more in the way of street repairs to comply with their terms of contract shortly, so hopefully the railings will be repaired soon.

**5) Chair's Report**

The Chair, Cllr. Mrs. S. A. Watkins gave her Annual Report. (Copy attached to office minutes.)

Councillor Thompson thanked the Chair on behalf of the Parish Council for her contribution to the parish during the last twelve months.

**6) PUBLIC SESSION**

A resident from Malcolm Davies Drive reported that residents haven't received parking permits yet from Sanctuary Housing, now that double yellow lines have been installed.

The Clerk explained that Sanctuary Housing are waiting to see how effective the yellow lines are in stopping people blocking the bungalows before issuing parking permits.

A resident raised concerns that Stafford Road, Oakengates is very dangerous and there have been numerous accidents at a specific junction, he requested that the Highways Department consider installing a mini roundabout.

Adam said that some alterations will be made outside the secondary school to make it difficult to turn right out of the car park..
